**Alison Burns and  
Martin Taylor: 1am** (P3 Music) £12.99

The rising Scottish jazz singer Alison Burns and the acclaimed guitarist Martin Taylor get together for a warm and intimate set of standards and contemporary covers by the likes of Ellington, Gershwin, Stevie Wonder and James Taylor. This rich and concentrated pairing was inspired by Ella Fitzgerald's partnership with Joe Pass. The pair's one original, "True", is among the set's stand-out tracks.
